© MBI/Alamy Stock Photo feel you would like something Synonyms: wish hope look for long aspire lust after yearn have your heart set on (doing) something ache ask/wish for the moon be/feel in the mood (for something) be in the market for something to be itchy for something to do something to be spoiled by something be thirsty for something burn clamor Have you heard of the campaign to #banbossy? This will support women's empowerment and help us increase our vocabulary if we stop calling girls bossy. In fact, there are many better, more accurate ways to describe women and girls than bossy, according to a recent BlogHer post by Julie Ross Godar. This is a reaction to Sheryl Sandberg's current campaign to encourage people to stop using the word bossy when describing women. In fact, it reflects the speaker's lack of vocabulary even more than casts a shadow over the girl being described. Better, more accurate words than Bossy Words bossy is usually used as an insult to girls and women to shut up and sit down. Women were traditionally supposed to be nurtured and supported and helped the group. They were not expected to lead the group. So bossy was a way to cast a woman as un feminine and unnatural. Horrors! Now that women are moving in the ranks in unprecedented numbers, isn't it time to help women see the pros of these character traits? What do you think of this list of words? Can you use them to describe girls today? Assertive Smart Has a clear vision of Honest Committed Fearless Great Organizational Skills Gifted Quick Eager to Share Opinions and Ideas Why Banning Bossy Matters Calling Someone Bossy, especially a young person who is simply developing the idea of who she is, can suppress her sense of self. This can cause him to reach out back and not reach as high, bite his tongue, try to fit. We all want to be liked. As the #banbossy points out, girls are twice as likely as boys to worry that leadership roles will make them seem bossy. Is she really sore in a**? Godar points out that a woman can actually engage in various bad behaviors at work. Maybe a woman is not a consensus builder or she has to work on empathy. Does he need a lesson in diplomacy? Doesn't he understand the importance of the example wire? Does she always insist on her own way? I don't think anyone is trying to ignore bad behavior by banning the use of the word bossy. Godar says. So it's good that we have other words for this kind of bossy, too, he notes. How about these more accurate descriptors? She needs to work on her listening skills Almost inspiring leader Offensive Boss She is a ** hole There is a lot of power in words, and it's just not true that sticks and stones can break bones, but words will never hurt you. Let us pay attention and use words that nurture and encourage our women and And when we see behavior that needs correction, lets use words that describe behaviours that need to be improved. Check out this wonderful series of posters #banbossy. SEE THE DEFINITION of bossy Join our early testers! See what your opinion looks like with different synonyms. Roget's 21st Century Thesaurus, Third Edition Copyright © 2013 by Philip Lief Group. No wonder Miss Alice Fern is so hussle and bustle with him," she thought. Now that Bossy is gone, I don't know what we're going to do for milk. I thought it would make you more cocky and bossy than ever. You're a bossy kind of slob. Heslet Quilian said equally. How will she get on such jolly, jerky, bossy people? Bossy was a little afraid that they could hurt her baby. so she wasn't quite friendly. It's Millie who first noticed that something was wrong with Bossy You should be grateful for every nickname. Bossy, put in Holly Cross. Bossy and his chum blew, but don't stop long, added Phil. Did you and Bossy argue about the girl, and go to Crest Island to have a duel?
